4 Responsibility and authority

4.1 The Director of the Infrastructure Management and Maintenance Department is responsible for the implementation of all the stages of the PRSP .

4.2 The PSVR is approved by the Chairman of the Management Board - Rector of S. Seifullin KATU.

4.3 The PSVR project is coordinated with the Chief of Staff, Director of the Infrastructure Management and Maintenance Department.

4.4 The decision on the final version of the draft PSVR is made by the Chief of Staff, who notes in the "Approval Sheet" (Appendix A).

4.5 The head of the department is responsible for bringing to the attention of the relevant employees of the unit approved by the PSVR. The record of the familiarization should be made out in the "Familiarization Sheet" (Appendix B).

5 General information

5.1 The program of conservation (conservation) of water resources of the S. Seifullin State University is implemented in accordance with regulatory legal acts, in particular the Environmental Code of the Republic of Kazakhstan (Code of the Republic of Kazakhstan dated January 2, 2021 No. 400-VI SAM).

5.2 The program of conservation (conservation) of water resources of S. Seifullin KazATU is aimed at the rational use of water resources, as well as the use of the best available techniques, resource-saving technologies and practices, reducing the volume and reducing the level of danger of waste generated and effective management of them, the use of renewable energy sources, water conservation, as well as the implementation of measures to improve energy efficiency, sustainable use, restoration and reproduction of natural resources.

5.3 The program of conservation (conservation) of water resources is implemented as a result of the following works:

- the water resources accounting system is working;
- the system of notification of accidents and breakthroughs of water supply and sanitation systems is working;
- fat catchers are used in the drainage system in canteens in academic buildings and student dormitories, which reduces harmful emissions into water resources.

6 Procedure for making changes

6.1 Amendments to the PVR are made only with the permission of the Director of the Department and must be documented with his (their) signature.

6.3 Changes to the policy are made by the managers of the DUiOI with a mandatory mark in the "Change Registration Sheet" (Appendix B).

7 Storage and distribution

7.1 Responsibility for the transfer of the approved policy (the original document) for storage in the Department of Corporate Development and Strategy is borne by the Director of the DDiOI.

7.2 A copy of the PSVR in electronic format is posted on the University's website "<https://kazatu.edu.kz/>".
